Chairman's Statement

IKIM was registered as a limited company with a guarantee under the Company Act 1965 on 18 Febuary 1992. Consequently, it was launched on 3 July 1992 by His Excellency Dato Seri Dr. Mahathir bin Mohamad, the Prime Minister. IKIM was established with the following objectives:

- *to correct the image of Islam which has been tarnished by many ill-informed people that reflects Islam as a religion so dense with terrorism, conservatism, fanaticism, backwardness, poverty and other degrading aspects;*
- *to help explain to the masses that Islam is a religion that promotes the concept of truthfulness and that Islam itself is a religion that thrives on tolerance, dynamism and so full of extraordinarily pure and valuable universal precepts;*
- *to help nurture into society the harmonious living conditions whereby there are the feelings of mutual respect in which Muslims can feel worthy of being Muslims while the non-Muslims would feel secure under the laws embodied in the country's constitutions;*
- *to illustrate that Islam is a religion of tolerance;*
- *to provide a platform for Muslim and non-Muslims scholars so as to enable them to discuss or to analyse issues of mutual importance;*
- *to create indepth awareness and understanding of international issues that bring direct impact on Muslims.*

As the means of achieving the objectives of which IKIM was formed, the following activities had been carried out and they will be continued.

- *to carry out research activities that include intensive and integrated researches on the role of Islam and the ummah and how they are to face current challenges that come about as the result of the changing world scenario;*
- *to publish and issue newsletters, magazines, journals and books for public consumption and for specific target groups;*
- *to organise conferences, forums, discussions and dialogues so as to enrich and to encourage intellectual discourses and to help solve the prevailing issues;*
- *to cooperate with local and overseas organisations and institutions in undertaking joint programmes for mutual benefit purposes;*

IKIM akan terus berusaha meningkatkan kefahaman masyarakat tentang ajaran dan nilai-nilai Islam serta hubungannya dengan kehidupan. IKIM akan terus membentuk pandangan-pandangan yang terbuka mengenai berbagai isu yang dihadapi oleh negara, Islam dan penganut-penganutnya.

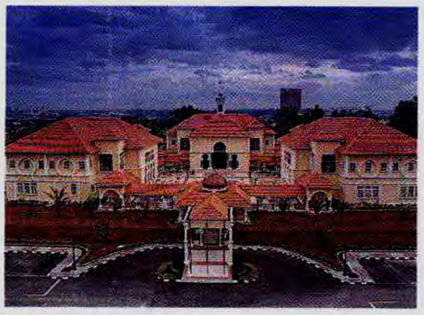
Disepanjang tahun 1993, IKIM telah menjalankan berbagai program dan aktiviti seperti berikut:

- penerbitan buku;
- persidangan, seminar, bengkel, forum dan lain-lain;
- forum IKIM di Televisyen Malaysia;
- sumbangan artikel secara tetap di akhbar-akhbar tempatan;
- penerbitan majalah berkala seperti Perspektif, Visi dan Jurnal;
- lawatan dan rombongan;
- jaringan hubungan;
- terjemahan buku.

Semua aktiviti-aktiviti di atas telah dijalankan dengan lancar walaupun IKIM hanya mempunyai bilangan pegawai dan kakitangan yang kecil.

IKIM yang pada asalnya bertempat secara sementara di Pusat Bandar Damansara telah berpindah ke bangunan baru di Lot 26647, Jalan Langgak Tunku Off Jalan Duta, Kuala Lumpur dengan siapnya bangunan IKIM yang tersergam indah pada bulan Oktober 1993. Saya berterima kasih kepada Kerajaan Persekutuan kerana telah membiayai pembinaan bangunan IKIM ini yang lengkap dengan kemudahan-kemudahan pejabat, perpustakaan, dewan besar, bilik persidangan, bilik pegawai-pegawai kanan, surau dan cafeteria.

IKIM juga merakamkan terima kasih kepada Kerajaan-kerajaan Negeri dan syarikat-syarikat swasta yang telah memberikan sumbangan kewangan yang telah dapat membantu IKIM melaksanakan program dan aktiviti-aktiviti di sepanjang tahun 1993 di samping peruntukan kewangan perbelanjaan mengurus yang diberi oleh Kerajaan Persekutuan berjumlah RM2.5 juta.



IKIM sentiasa berhati-hati di dalam pemilihan dan perlantikan pegawai dan kakitangannya untuk mempastikan supaya hanya mereka yang benar-benar berkemampuan dan berkualiti akan diambil dan IKIM akan berusaha untuk memperlihatkan sebagai sebuah organisasi yang mempunyai daya kepimpinan yang tinggi dan ciri-ciri organisasi yang baik serta membawa imej korporat yang cemerlang.

Walaupun IKIM baru berusia kurang daripada dua tahun, namun IKIM telah mula dikenali oleh masyarakat tempatan mahupun masyarakat antarabangsa sebagai sebuah organisasi yang boleh memainkan peranan yang penting untuk mewujudkan perpaduan nasional.

[TAN SRI DATO' SERI AHMAD SARJI BIN ABDUL HAMID]
Pengerusi,
Institut Kefahaman Islam Malaysia.

IKIM will always strive to uplift the understanding of Islam, its teachings, its universal values and their realistic context in the daily life of humankind to all members of the society. This institute will persistently pursue the concept of opened discussions or views on matters faced by the country, Islam and the ummah.

Throughout the year 1993, IKIM had carried out the following programmes and activities;

- *books publishing*
- *conferences, seminars, workshops, forums, etc.*
- *TV forums over Radio and Television Malaysia*
- *regular releases of articles in leading local newspapers*
- *newsletter, magazine and journal publishing*
- *attending to visits and tour groups*
- *networking*
- *translating great works on Islam*

It is worth mentioning that all of the above mentioned activities were efficiently executed even though IKIM had only a handful of personnel.

In its infancy days, IKIM was originally sited at a temporary office space in Pusat Bandar Damansara until its spacious new office premises were ready for occupancy in October 1993. I like to thank the Federal Government for having financed the whole cost of IKIM's premises that came complete with office facilities, a library, a conference hall, meeting rooms, working spaces, prayer rooms and cafeteria.

IKIM too would like to record its appreciation to the various state governments and the private sector that have generously contributed towards financing IKIM's activities and programmes throughout the year. These contributions are additional financial resources besides the RM 2.5 million being allocated by the federal government for the day-to-day running of the institute.

IKIM has always been very careful in the selection and appointment of its personnel - only candidates who possess the merits and the qualities set forth by IKIM will be taken in. And most of all, IKIM will display to the inquiring masses that it is the one organisation that commands high quality leadership that can leave its signature of being an excellent organisation along the line of the much sought after outstanding corporate image.

In spite of being a fairly new institute, IKIM manages to make its presence felt in the local and international circles as an organisation that can play an important role in bringing about national unity.

IKIM Building

IKIM started operating at a rented office space located in Pusat Bandar Damansara until October 1993. Upon the completion of IKIM's permanent office premises comprising a cluster of impressive structures located at the fringe of Jalan Langgak Tunku, the whole of IKIM's operations are centred here. The new premises are made up of three main 2-storey blocks comprising office spaces, a library, a conference hall, meeting rooms and a cafeteria. Apart from these facilities, there is a big courtyard conceived in an imaginary manner complete with fountains, plants and flowers. Within this captivating setting too, there is Taman Firdausi which is wreathed with an inviting arbour of flowers and decorative shrubs, all planted according to a designer's sense of colours and patterns existing in affectionate struggle with taller trees. The whole cost of these premises came to RM8.3 million.
