Dengan nama Allah Yang Maha Pengasih Lagi Maha Penyayang, bagi pihak Lembaga Pengarah, saya dengan sukacitanya membentangkan laporan kemajuan Institut Kefahaman Islam Malaysia bagi tahun 1999.

Institut ini telah berjaya melaksanakan hampir kesemua program kerja bagi tahun 1999. Kejayaan ini telah dapat dicapai dengan bilangan tenaga kerja yang agak kecil yang tetap bersedia bekerja keras secara berpasukan dan persaudaraan yang erat untuk menghasilkan kerja yang berkualiti.

Institut telah mengendalikan sebanyak dua puluh satu (21) seminar termasuk empat (4) seminar antarabangsa, tiga belas (13) seminar kebangsaan, tiga (3) sudut pandangan dan satu (1) majlis diskusi buku. Dua di antara seminar antarabangsa yang diadakan iaitu “Imperatif Ekonomi dan Kewangan Hasil Dari Globalisasi: Satu Respons Islam” pada 8 – 9 April 1999 dan “Peranan Tamadun Islam Dalam Memupuk Kefahaman Antara Agama” pada 18 – 20 Mei 1999 telah mendapat sambutan yang menggalakkan. Pada umumnya semua seminar yang telah dianjurkan telah mendapat sokongan yang memberangsangkan dari pembentang-pembentang kertas kerja yang terpilih serta peserta-peserta, yang meliputi golongan Pegawai-pegawai Kanan sektor awam dan korporat, dan individu-individu di pelbagai peringkat. Program khas yang telah diadakan bagi belia telah mendapat sambutan yang baik.

IKIM telah terus menghasilkan penerbitan buku-buku, iaitu himpunan kertas-kertas kerja seminar-seminar yang dianjurkan. Pada tahun lalu sebanyak sepuluh (10) buah buku telah dapat diterbitkan. Buku-buku terbitan IKIM didapati digunakan sebagai bahan-bahan rujukan bagi pelajar-pelajar di institut-institut pengajian tinggi (IPT). Buku “Globalisasi: Peranan Ekonomi Dan Kewangan Islam” merupakan sebuah buku istimewa oleh kerana ia mengandungi artikel-artikel yang telah memenangi Peraduan Penulisan Artikel Ilmiah Islam (Bidang Ekonomi) anjuran IKIM dalam usaha menggalakkan percambahan pemikiran-pemikiran baru. Artikel-artikel mengenai isu semasa yang disumbangkan oleh pegawai-pegawai IKIM dalam akhbar-akhbar tempatan, khususnya Utusan Malaysia, The New Straits Times dan The Star mendapat sambutan positif daripada masyarakat umum.

Dalam masa yang sama IKIM terus membuat penyelidikan dalam bidang tertentu. Dalam proses ini sebahagian besar daripada hasil penyelidikan dijadikan asas kertas-kertas kerja untuk dibentangkan oleh pegawai-pegawai IKIM sendiri sementara di mana sesuai sebahagian lain dijadikan sumbangan dalam majalah dan jurnal IKIM.

IKIM juga terus menerima kunjungan pelawat-pelawat, dari dalam dan luar negeri. Sehubungan dengan hal ini, IKIM berbangga menerima keberangkatan Seri Paduka Baginda Yang Di-Pertuan Agong Ke-XI dan Seri Paduka Baginda Raja Permaisuri Agong pada 9 Julai 1999. IKIM juga turut menerima kunjungan oleh Kebawah Duli Yang Teramat Mulia Tengku Mahkota Pahang. Lawatan Kebawah Duli Yang Teramat Mulia telah menghasilkan penubuhan Cawangan IKIM Pantai Timur di Kuantan pada awal tahun 2000.

Program kerja IKIM bagi 2000 telah diumumkan pada 24 Disember 1999. Beberapa orang fellow telah dilantik. Bangunan tambahan Blok D yang menempatkan dewan makan telah dimulakan pembinaannya pada bulan Ogos 1999 dan dijadual siap pada Julai 2000. Sebuah unit baru yang bernama Pusat Perundingan dan Latihan, telah juga diwujudkan.

Saya juga ingin memanjatkan rasa kesyukuran kehadiran Allah S.W.T. kerana telah mendapat kerjasama yang padat daripada Ahli-ahli Lembaga Pengarah. Ucapan terima kasih juga ingin disampaikan kepada semua media elektronik dan cetak di atas sokongan mereka sepanjang tahun 1999 ini. Tan Sri Datuk Prof. Ahmad bin Mohamed Ibrahim yang telah banyak berjasa kepada IKIM sepanjang hayat beliau telah kembali kerahmatullah pada 17 April 1999. Semoga roh Allahyarham dicucuri rahmat oleh Allah S.W.T.

TAN SRI DATO' SERI (DR.) AHMAD SARJI BIN ABDUL HAMID

CHAIRMAN'S STATEMENT

 In the name of Allah, Most Gracious, Most Merciful, on behalf of the Board of Directors, it is with great pleasure that I submit the progress report of the Institute of Islamic Understanding Malaysia for the year 1999.

The Institute almost completed its work programme set for the year 1999. This success was made possible by the small band of the Institute's staff. The staff had demonstrated good teamwork and brotherhood which produced quality work.

The Institute organised twenty-one (21) seminars in all, including four (4) international seminars, thirteen (13) national seminars, three (3) "IKIM's Viewpoints" and one (1) book discussion. Two of the international seminars, namely, "The Economic and Financial Imperatives of Globalisation: An Islamic Response" on 8 – 9 April 1999 and "The Role of Islamic Civilisations in Fostering Inter-Religious Understanding" on 18 – 20 May 1999, received encouraging response. In general, the support from the paper presenters, participants, comprising senior officers in the public and corporate sectors and individuals had helped to enhance the quality of the seminars. A specific programme for youths proved to be an encouraging success.

IKIM continues to publish books, substantially comprising the sets of working papers of seminars. Last year, ten (10) books were published. IKIM publications are now being used as reference books by students at institutes of higher learning. The book entitled "Globalisation: The Role of Islamic Economics and Finance" is a special issue containing the winning articles in Islamic Academic Article-Writing Competition (Economics) organised by IKIM. Articles on current issues contributed by IKIM officers to local newspapers, specifically in Utusan Malaysia, The New Straits Times and The Star, received positive response from the general public.

IKIM continues to conduct research on certain subjects. The research papers formed the basis of working papers presented by IKIM officers at seminars, and they are also re-edited for inclusion in IKIM magazines and journals.

IKIM has also continued to receive visitors, both locally and from overseas. In this regard, IKIM is honoured to have been visited by the Seri Paduka Baginda Yang Di-Pertuan Agong XI and Seri Paduka Baginda Raja Permaisuri Agong on 9 July 1999. IKIM has also been graced with the visit of HRH the Crown Prince of Pahang. This royal visit has led to the establishment of the East Coast Branch of IKIM in Kuantan, starting this year (2000).

IKIM work programme for 2000 was launched on 24 December 1999. New fellows have been appointed. An Additional block, Block D, is being built to accommodate a dining hall. The building of the new block began in August 1999 and is scheduled to be completed in July 2000. A new unit, the Centre for Consultancy and Training, has also been established.

I would also like to express my humble gratitude to Allah S.W.T. The Members of the Board of Directors had given unstinted support to the management. My heartfelt thanks go to the electronic and print media for the strong support given to the Institute throughout 1999. Tan Sri Datuk Prof. Ahmad bin Mohamed Ibrahim a founding member of the Institute, passed away on 17 April 1999. May his soul be blessed by Allah S.W.T.
