Dengan nama Allah Yang Maha Pengasih dan Penyayang, bagi pihak Lembaga Pengarah, saya dengan sukacitanya membentangkan laporan kemajuan dan penyata kewangan Institut Kefahaman Islam Malaysia yang diaudit untuk tahun 2002.

Disepanjang tahun 2002 IKIM telah mengadakan dua (2) seminar antarabangsa, sembilan (9) seminar kebangsaan, tiga (3) muzakarah pakar, empat (4) forum, tiga (3) bengkel, satu (1) dialog, satu (1) syarahan dan satu (1) majlis debat.

Salah satu tajuk yang menarik adalah 'Living Together in Plural Society'. Toleransi beragama adalah dilihat sebagai faktor utama bagi keamanan dan kestabilan sebuah negara berbagai kaum dan agama seperti Malaysia. Satu lagi tajuk seminar adalah 'Ke Arah 20% Pasaran Perbankan Menjelang 2010: Strategi Sistem Perbankan Islam'. Pakar-pakar telah membincangkan kaedah-kaedah yang boleh meningkatkan lagi kapasiti perbankan, perkhidmatan dan kemudahan kewangan Islam. Seminar mengenai 'Memahami Malaysia sebagai Sebuah Negara Islam', mendapati pengisytiharan Malaysia sebagai sebuah negara berasaskan Islam adalah benar berdasarkan dari kemajuan yang dicapai dalam bidang-bidang ekonomi, pendidikan, dasar luar negara, perundangan, cara hidup dan lain-lain yang membangunkan ummah.

Sempena ulangtahun ke sepuluh penubuhan IKIM, satu seminar antarabangsa telah diadakan pada 22-23 Oktober bertajuk "Gold Dinar In Multilateral Trade". Seminar ini merumuskan bahawa dinar boleh digunakan di kalangan beberapa negara Islam untuk permulaannya.

Pada tahun 2002, IKIM telah berkerjasama dengan kerajaan-kerajaan negeri Pahang, Kedah, Selangor dan Pulau Pinang. Di Kuantan,

In the name of Allah, Most Gracious and Most Merciful, on behalf of the Board of Directors, it is with great pleasure that I present the progress report and audited financial statements of the Institute of Islamic Understanding Malaysia for the year 2002.

Various programmes and activities were organised during the year 2002 which include two (2) international seminars, nine (9) national seminars, three (3) expert consultations, four (4) forum, three (3) workshops, one (1) dialogue, one (1) lecture and one (1) debate.

One of the interesting topics was "Living Together in Plural Society". Religious tolerance was viewed to be the key factor for a peaceful and stable multi-ethnic and multi-religious country like Malaysia. The other interesting topic was "Towards 20 percent of the Banking Market by 2010: The Strategies of the Islamic Banking System". The experts discussed the methodologies towards achieving 20 percent of the banking market by Islamic banks in Malaysia including efforts towards increasing the capacity of Islamic banking, products and services. The seminar on "Understanding Malaysia As An Islamic State", confirmed the declaration that Malaysia is an Islamic state based on the achievement in the fields of economy, education, foreign policy, laws and way of life etc. which develop the ummah.

To mark the tenth anniversary of IKIM, an international seminar was held on 22-23 October entitled "Gold Dinar in Multilateral Trade". This seminar resolved that the dinar could be used by a few Islamic countries for a start.

During the year 2002, IKIM cooperated with the State governments of Pahang, Kedah, Selangor and Pulau Pinang. At Kuantan, the multaqa Sultan Ahmad Shah was held on 14-15

Pahang, multaka Sultan Ahmad Shah mengenai "Memahami Konsep dan Peranan Ulil-Amri di Malaysia" telah diadakan pada 14-15 Oktober. Seminar ini telah menjelaskan bahawa Islam menyarankan kepimpinan secara kolektif dan tidak membayangkan penguasaan kuasa politik oleh individu. Ia menekankan kepentingan prinsip-prinsip "shura" di mana terdapat penyertaan kedua-dua pemerintah dan rakyat di dalam pemerintahan negara. Di Bedong, Kedah, seminar mengenai "Memahami isu-isu Pendidikan Islam Di Malaysia" yang diadakan pada 20-21 Mei telah menyarankan supaya kurikulum pendidikan Islam yang bersepadu perlu diseragamkan di semua peringkat Sekolah Agama diseluruh negara. Manakala di Pulau Pinang satu muzakarah pakar mengenai "Perlaksanaan Hukum Syarak di Malaysia" telah diadakan pada 19-20 Mac, mencadangkan penyeragaman pelaksanaan hukum syarak di peringkat Negeri dan Persekutuan.

Usaha Institut ini untuk menyebarkan kefahaman Islam kepada masyarakat telah diperkukuhkan lagi dengan penerbitan sebanyak sebelas (11) buah buku ilmiah, empat (4) jurnal berkala dan empat (4) majalah VISI. Sebagai tambahan kepada usaha itu, IKIM masih terus menyumbang artikel-artikel mengenai isu-isu semasa di akhbar-akhbar tempatan. Bagi tahun 2002 sebanyak tiga puluh tiga (33) artikel diterbitkan oleh Utusan Malaysia, dua puluh sembilan (29) artikel oleh Berita Harian, dua puluh empat (24) artikel oleh The New Straits Times dan enam (6) artikel oleh The Star. Isu-isu penting yang diliputi diantaranya adalah mengenai Islam dan Tadbir Urus Korporat, Sistem Kewangan Islam, Etika Perniagaan Dalam Islam, ICT dalam konsep ilmu Islam, definisi Patriotisme, Nilai-nilai Moral, Wanita Islam Berkerjaya, Pengurusan wakaf dan Kerelevanan Sains kepada Islam.

October entitled "Understanding the Concept and Role of Ulil-Amri in Malaysia". This seminar clarified that Islam upholds collective leadership and does not envisage concentration of political power in one individual. It emphasizes the importance of the principle of 'shura' in the context of the participation of both the ruler and the ruled in the conduct of government. At Bedong, Kedah, the seminar on "Understanding the Issues of Islamic Education in Malaysia" held on 20-21 May proposed that an integrated curriculum of Islamic education be introduced at all levels of religious schools in Malaysia. The expert consultation on "The Implementation of Shariah Laws in Malaysia" held on 19-20 March at Pulau Pinang proposed the uniformity of the implementation of Shariah Laws at both State and Federal levels.

The Institute's effort in providing the understanding on Islam to the society has been further intensified through the publication of eleven (11) academic books, four (4) periodical journals and four (4) issues of VISI magazines. In addition, IKIM staff contributed articles to most of the major local newspapers on contemporary issues. For the year 2002, there were thirty three (33) articles published in Utusan Malaysia, twenty nine (29) articles in Berita Harian, twenty four (24) articles in The New Straits Times and six (6) articles in The Star. Among the issues covered were Islam and Corporate Governance, Islamic Financial System, Business Ethics in Islam, ICT in the concept of Islamic Knowledge, definition of Patriotism, Moral Values, Career Muslim Women, Management of Waqaf, and the Relevance of Science to Islam.

Bagi menambahkan lagi bahan bacaan yang berkaitan dengan kefahaman Islam untuk masyarakat di Malaysia, IKIM sedang menterjemah beberapa buku yang ditulis dalam Bahasa Arab kepada Bahasa Malaysia antaranya buku-buku "Al-Akhlak Al-Islamiah" Jilid 1, "Adab Al-Qadhi" dan "Hujjatullah Al-Balighah".

Radio IKIM.Fm telah menyiarkan program-program untuk memberi kefahaman mengenai prinsip-prinsip dan nilai-nilai Islam dalam bidang ekonomi, pengurusan, perniagaan, kewangan, undang-undang syariah, sains politik, alam sekitar, pertanian, pelancongan dan rekreasi. Since the end of the previous financial year, no Director has received or become entitled to receive a benefit (other than benefit disclosed as Directors' fees in Note 8 to the financial statements) by reason of a contract made by the Institute or a related corporation with the Director or with a firm of which he is a member, or with a Company in which he has a substantial financial interest.

STATUTORY INFORMATION ON THE FINANCIAL STATEMENTS

Before the income and expenditure statement and balance sheet were made out, the Directors took reasonable steps:

- (a) to ascertain that action had been taken in relation to the writing off of bad debts and the making of allowance for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate allowance had been made for doubtful debts; and
- (b) to ensure that any current assets, other than debts, which were unlikely to realise in the ordinary course of business their value as shown in the accounting records of the Institute, have been written down to an amount which they might be expected so to realise.

DIRECTORS' REPORT (CONTINUED)

At the date of this report, the Directors are not aware of any circumstances:

- (a) which would render the amounts written off for bad debts or the amount of the allowance for doubtful debts in the financial statements of the Institute inadequate to any substantial extent; or
- (b) which would render the values attributed to current assets in the financial statements of the Institute misleading; or
- (c) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Institute misleading or inappropriate.

No contingent or other liability has become enforceable or is likely to become enforceable within the year of twelve months after the end of the financial year which, in the opinion of the Directors, will or may substantially affect the ability of the Institute to meet its obligations when they fall due.

At the date of this report, there does not exist:

- (a) any charge on the assets of the Institute which has arisen since the end of the financial year which secures the liability of any other person; or
- (b) any contingent liability of the Institute which has arisen since the end of the financial year.

At the date of this report, the Directors are not aware of any circumstances not otherwise dealt with in this report or the financial statements which would render any amount stated in the financial statements misleading.

In the opinion of the Directors,

- (a) except as disclosed in the Income and Expenditure Statement, the results of the Institute's operations during the financial year were not substantially affected by any item, transaction or event of a material and unusual nature; and
- (b) there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely to affect substantially the results of the operations of the Institute for the financial year in which this report is made.
