TAKLIMAT KESEDARAN ISO MS 9001: 2015 & MS 1900: 2014

BRIEFING ON AWARENESS of ISO MS 9001: 2015 & MS 1900: 2014

Sarina Othman

Mulai bulan April 2018, Sistem Pengurusan Kualiti (SPK) IKIM telah bertukar kepada pensijilan MS 9001: 2015 daripada MS 9001: 2008. Semua agensi yang menerima pakai Pensijilan ISO MS 9001: 2008 perlu bertukar kepada Pensijilan MS 9001: 2015 menjelang 14 September 2018. Pindaan standard ini memberi penekanan kepada 'high level structure' iaitu kepentingan konteks organisasi; peningkatan dan penekanan dalam kepimpinan; memperkenalkan dan menjelaskan keperluan 'risk-based thinking' untuk menyokong dan menambahbaik kefahaman dan aplikasi pendekatan berproses; menambahbaik keupayaan dalam pemberian perkhidmatan; dan pembentukan standard berdasarkan kepada tujuh (7) Prinsip Pengurusan Kualiti iaitu fokus kepada pelanggan, kepimpinan, penglibatan warga kerja, pendekatan berproses, peningkatan perkhidmatan, keputusan berasaskan bukti dan pengurusan hubungan.

Sehubungan itu, untuk memberi kefahaman dan kesedaran kepada warga kerja IKIM mengenai kedua-dua pensijilan tersebut, satu taklimat telah diadakan kepada semua warga kerja IKIM pada 31 Mei 2018 di Dewan Besar IKIM. Taklimat tersebut telah disampaikan oleh Encik Mohd Yusof bin Arbain, daripada syarikat Quality Excellent Resources, yang telah dilantik sebagai Konsultan untuk membantu IKIM melaksanakan kedua-dua pensijilan tersebut.

IKIM juga masih mengekalkan Dasar Kualitinya iaitu "Memahami Islam Membina Peradaban" yang masih relevan dengan fungsi dan objektif penubuhan IKIM. Pada taklimat tersebut juga, kaji selidik mengenai Nilai-nilai Bersama IKIM seperti yang dinyatakan dalam Pelan Strategik IKIM iaitu Ilmu, Hikmah, Adab, Amanah, Adil dan Taqwa telah diedarkan kepada semua warga kerja yang hadir.

Starting from April 2018, the IKIM Quality Management System (SPK) has been switched to MS 9001: 2015 certification from MS 9001: 2008. All agencies which adopt the MS ISO 9001: 2008 certification need to switch to MS 9001: 2015 certification by 14 September 2018. This amendment emphasised 'high level structure' that is, the importance of the organisation's context; enhancement and emphasis on leadership; introduce and explain the need of 'risk-based thinking' to support and improve the understanding and application of process approaches; improving the capability of providing services; and establishment of standards based on seven (7) Quality Management Principles focusing on customers, leadership, employee engagement, process approaches, service upgrade, evidence-based decisions and relationship management.

In order to provide the IKIM workforce with an understanding and awareness of the two certifications, a briefing was held to all IKIM workforce on 31 May 2018 at the IKIM Grand Hall. The briefing was delivered by Mr. Mohd Yusof bin Arbain, from Quality Excellent Resources, who was appointed as Consultant to assist IKIM in implementing the two certifications.

IKIM still maintains its Quality Policy, that is, "Understand Islam Build Civilisation" which is still relevant to the functions and objectives of the establishment of IKIM. At the briefing, a survey on IKIM's Shared Values as stated in IKIM's Strategic Plan which are Knowledge, Wisdom, Manners, Trust, Fairness and Piety were distributed to all the workforce present then.
