Pada tahun 2010, Radio IKIMfm telah menunjukkan peningkatan dari segi jumlah bilangan pendengar. Anggaran rasmi yang dibuat oleh pihak Nielsen berdasarkan kajian Gelombang 2, 2010 menunjukkan pendengar IKIMfm adalah seramai 786,000 orang. Ini tidak termasuk pendengar di Sabah dan Sarawak. Anggaran tidak rasmi pula menunjukkan pendengar sebenar IKIMfm di seluruh negara termasuk Sabah dan Sarawak, sebahagian Brunei, Singapura, Batam (Indonesia) dan selatan Thailand adalah melebihi sejuta orang.

Berdasarkan kajian Nielsen juga, dari segi kedudukan (ranking) IKIMfm untuk tahun 2010, IKIMfm menduduki tangga ke 13 dari lebih 50 stesen-stesen radio seluruh negara, manakala kedudukan ke-9 dari segi stesen berbahasa Melayu.

IKIMfm berkonsepkan 3M iaitu mendidik, menghibur dan memberi maklumat dengan 70% masa siaran diperuntukkan untuk mendidik, 20% menghibur dan 10% memberi maklumat. Bagi tujuan mendidik, untuk tahun 2010, IKIMfm telah menyediakan lebih 30 rancangan berbentuk ilmiah.

Pendekatan IKIMfm berbeza daripada stesen-stesen radio komersil yang lain kerana kita menggabungkan antara pendidikan (education) dan hiburan (entertainment) atau apa yang sering disebut 'edutainment'. Program-program ilmiah kita sajikan dalam bentuk yang menghibur dan mudah diterima khalayak pendengar termasuk memperkenalkan format

In 2010, IKIMfm Radio drew an increase in the total number of listeners. An official estimate conducted by Nielsen based on Wave 2 research showed that IKIMfm listeners totalled 786,000. This number did not include listeners in Sabah and Sarawak. An unofficial estimate put the actual number of IKIMfm listeners throughout the country including both Sabah and Sarawak, parts of Brunei, Singapore, Batam (Indonesia) and southern Thailand exceeded the one million mark.

Based on the Nielsen research, IKIMfm ranked 13 for 2010 out of 50 radio stations nationwide and positioned at 9 amongst the Malay language stations.

IKIMfm bears the 3M concept which is to educate, entertain and inform with 70% of its air time allotted for education, 20% for entertainment and 10% for information. For its educational purpose, IKIMfm prepared more than 30 academic-based programmes in 2010.

The approach taken by IKIMfm differs from other commercial radio stations because it integrates both education and entertainment simultaneously to produce what is known as edutainment. The academic programmes were produced in an entertaining format that were palatable to the mass listeners which included an interactive format featuring informal as well as live question and answer sessions. Thus, most of the programmes were broadcasted live and not recorded. In order to get IKIMfm closer

yang lebih bersifat interaktif, soal jawab dan santai segar. Untuk itu, kebanyakan program digalakkan disiar secara langsung dan bukan berbentuk rakaman.

Bagi mendekatkan IKIMfm kepada masyarakat, beberapa program 'turun padang' (ground event) telah turut digerakkan sepanjang 2010 lalu. Ini termasuklah, Karnival Ulangtahun IKIMfm yang diadakan buat pertama kalinya di luar premis IKIM, iaitu di perkarangan Stadium Malawati bermula dari 9-11 Julai 2010 dengan kehadiran yang dianggarkan sekitar 30,000 orang.

Dari segi teknologi, IKIMfm turut bergerak seiring dengan arus perdana dengan meningkatkan kemampuan pendengar dalam talian (online) melalui perkhidmatan internet radio streaming dari 50 orang kepada 2000 orang pendengar buat satu masa. Laman web IKIMfm juga telah dibangunkan di alamat URL: <http://ikimfm.my>. IKIMfm juga sedang merancang untuk membangunkan podcasting untuk kemudahan pendengar-pendengar kita memuat turun rancangan-rancangan terpilih sedikit masa lagi, *Insha Allah*.

to the society, several ground event programmes were lined up throughout 2010. This included the IKIMfm Anniversary Carnival which was held at the Malawati Stadium from 9-11 July 2010. For the first time ever, the celebrations were conducted away from the IKIM premises. The turnout for the event was estimated at 30,000 people.

With regard to technology, IKIMfm is also in tandem with the mainstream broadcasting by enhancing its online capabilities via the internet radio streaming. It managed to draw from 50 to 2000 listeners at any one time. The IKIMfm website was also developed at the URL address: <http://ikimfm.my>. Plans to develop podcasting to accommodate listeners to download selected IKIMfm programmes are also in the works, *Insha Allah*.
