PERUTUSAN PENGERUSI *CHAIRMAN'S MESSAGE*

Dengan sukacitanya, saya bagi pihak Lembaga Pengarah membentangkan satu laporan kegiatan utama dan penyata kewangan Institut Kefahaman Islam Malaysia (IKIM) yang telah diaudit bagi tahun 2017. Tahun 2017, genaplah usia IKIM ke-25. Sepanjang penubuhannya, IKIM telah berusaha untuk meningkatkan kefahaman masyarakat tentang ajaran dan nilai-nilai Islam serta hubungannya dengan kehidupan. IKIM terus komited dalam menyampaikan ilmu pengetahuan melalui perbincangan ilmiah, penyebaran melalui media massa, dan juga menerusi penerbitannya. Ini bertepatan dalam merealisasikan gagasannya iaitu “Memahami Islam Membina Peradaban”. Semoga buku *Laporan Tahunan IKIM 2017* ini dapat memberikan gambaran yang jelas kepada masyarakat mengenai aktiviti dan percambahan fikiran IKIM secara keseluruhan dan seterusnya menjadi kayu pengukur dan penanda aras bagi IKIM khasnya untuk merancang program-program yang lebih memberi pendedahan dan impak yang positif kepada masyarakat pada masa hadapan.

On behalf of the Board of Directors, I am pleased to present a report of the major activities and audited financial statements of the Institute of Islamic Understanding Malaysia (IKIM) for 2017. Moving on to its 25th year of its establishment, throughout 2017 IKIM sought to improve the understanding of the community on Islamic teachings and values and their relations to life. IKIM continued to be committed to delivering knowledge through scientific discussions, dissemination through the mass media and its publications, all of which were in tandem to realise its aspiration of “Understand Islam Build Civilisation”. May this 2017 *IKIM Annual Report* give a clear overall picture to the community on the activities and prolific thinking of IKIM and become a benchmark for IKIM in particular to plan for more positive programmes and impact on the society in the future.

ACADEMIC ACTIVITIES

In conjunction with the 25th IKIM anniversary celebrations, IKIM organised several programmes aimed at providing understanding to the Muslim and non-Muslim communities as well as to elaborate current issues which were consistent with the establishment objectives of IKIM. Programmes organised by IKIM also promoted mutual understanding among Malaysians of different cultures and religions in understanding the relations between sustainable value and development. Starting with the International Conference on "*Religion and Sustainability of Civilisation*" inaugurated by YAB Prime Minister of Malaysia, Dato' Seri Najib Tun Abdul Razak on 20 February, IKIM had produced several other programmes. Organising the conference was in tandem with the current situation that required the unity of understanding of religious and moral ethics with conventional thinking in addressing important issues that threaten sustainability and civilisation. In addition, the conference also provided a strategic platform for scientists, religious groups and policy-makers to conduct a dialogue.

PELAN STRATEGIK 2016–2020 *STRATEGIC PLAN 2016–2020*

Tahun 2017 merupakan tahun ke-2 IKIM meneruskan pelaksanaan inisiatif dalam Pelan Strategik 2016–2020. Ia menuntut komitmen berterusan warga kerja IKIM untuk meningkatkan prestasi dan produktiviti ke arah kecemerlangan dalam mendepani cabaran fasa baharu yang didasari pelaksanaan Pelan Strategik IKIM 2016–2020.

Demi menentukan bahawa gerak kerja pelaksanaan Pelan Strategik IKIM 2016–2020 menjadi lebih tersusun, setiap Ketua Teras Strategik telah mengadakan perbincangan bersama ahli teras masing-masing. Proses libat sama dengan semua peringkat warga kerja juga telah membantu memaknakan Pelan Tindakan yang dirangka. Jawatankuasa Pemantauan Pelaksanaan Pelan Strategik juga telah mengadakan mesyuarat sebanyak dua kali pada 2017 bagi mengemas kini status pelaksanaan objektif strategik masing-masing dan pencapaian sasaran.

Sebanyak 10 Teras Strategik dan objektif strategik telah direncana meliputi skop fungsi dan tugas IKIM.

For the second year running, in 2017 IKIM continued with the implementation of the initiatives in the 2016–2020 Strategic Plan. It demanded the ongoing commitment of the IKIM work force to improve their performance and productivity towards excellence in meeting the challenges of the new phase based on the implementation of the 2016–2020 IKIM Strategic Plan.

To ensure that the implementation of the 2016–2020 IKIM Strategic Plan was more structured, each Strategic Thrust leader had discussions with their respective Thrust members. The engaging process with all levels of the work force had also helped to define the drafted Action Plan. The Strategic Plan Implementation Monitoring Committee also held two meetings in 2017 to update the status of implementation of their respective strategic objectives and achievement targets.

A total of 10 Strategic Thrusts and strategic objectives had been planned covering the scope of IKIM's functions and tasks.

IKIM DI PERSADA ANTARABANGSA IKIM AT THE INTERNATIONAL ARENA

Dalam usaha memperkasa strategi pengantarabangsaan IKIM, pelbagai langkah dan usaha telah digembeling oleh pihak Pengurusan dan warga akademik IKIM bagi memastikan IKIM kekal relevan dan dirujuk di peringkat serantau dan antarabangsa. Sebagai contoh, IKIM telah melakar kejayaan dengan mendapatkan geran dan pembiayaan agensi antarabangsa contohnya UNESCO melalui geran *Malaysia-Funds-in Trust* (MFiT) bagi projek penyelidikan bioetika dan alam sekitar, yang turut disokong oleh Universiti Malaya dan Akademi Sains Malaysia. IKIM telah merekodkan sebanyak 38 aktiviti antarabangsa meliputi lawatan rasmi, pembentangan kertas kerja dan modul, mesyuarat teknikal, dan sebagai ahli panel diskusi bagi mengukuhkan lagi jaringan kolaborasi dan hubungan dua hala di antara pihak IKIM dan rakan strategik di seluruh dunia.

Usaha-usaha pengantarabangsaan bukan sahaja dicapai melalui bidang akademik, tetapi juga yang turut penting, melalui program IKIMfm, tvIKIM dan pemasaran IKIM. Sebagai contoh, Pusat Media telah berjaya menerbitkan beberapa dokumentari berunsur pendidikan Islam dalam bentuk *travelogue*, kapsul dan *talk-show* yang mengandungi bahan ilmiah/ akademik yang diolah mengikut format penyiaran yang menarik dan segar. Pada tahun 2017, tvIKIM telah mendapat kontrak daripada stesen TV Brunei Darussalam dan UNESCO Jakarta.

In an effort to strengthen IKIM's internationalisation strategy, various steps and efforts have been consolidated by the Management and IKIM academicians to ensure that IKIM remains relevant and be referred to at the regional and international levels. For example, IKIM has been successful in obtaining grants and funding from international agencies such as UNESCO through the Malaysia-Funds-in Trust (MFiT) grant for bioethical and environmental research projects, which are also supported by the University of Malaya and the Academy of Sciences Malaysia. IKIM has recorded 38 international activities covering official visits, presentations of paper and module, technical meetings, and panel discussions to further strengthen collaborative networks and bilateral relations between IKIM and its strategic partners worldwide.

Internationalisation efforts have not only been achieved through the academic field but also importantly, through both IKIMfm and tvIKIM programmes as well as IKIM marketing. For example, the Media Centre has successfully produced several documentaries with Islamic educational elements in the form of travelogues, capsules and talk-shows with scientific / academic contents that have been adapted in a compelling and fresh broadcasting format. In 2017, tvIKIM was awarded a contract from Brunei Darussalam TV station and Jakarta UNESCO.

IKIM DI PERSADA ANTARABANGSA *IKIM AT THE INTERNATIONAL ARENA*

Jaringan antarabangsa pula tercapai melalui perjanjian persefahaman dan kajian bersama bersama universiti dan institusi penting di luar negara seperti Universiti Mahidol (Thailand), Universiti Kyoto (Jepun), Akademi diRaja Kembodia (RAC), Universiti Stelanbosch (Cape Town, Afrika Selatan), Universiti Teluk Arab (Kerajaan Bahrain), Pusat Al-Ghazali (Australia), Yayasan Islam untuk Sains Ekologi dan Alam Sekitar (United Kingdom), Bantuan Islam Sedunia/Islamic Relief WorldWide (United Kingdom), Universitas Nasional Indonesia (UNAS), Pusat Kajian Islam Oxford (Oxford, United Kingdom), Universiti Taiwan, Pejabat UNESCO Paris dan Jakarta dan lain-lain lagi.

Para ahli akademik IKIM akan terus meningkatkan komitmen dan pencapaian-pencapaian tindakan akan terus dijadikan amalan supaya impak akhirnya membuahkan kecemerlangan ke arah mencapai keterlibatan IKIM di persada antarabangsa.

International networks are also achieved through MoUs and collaborative research with important universities and institutions outside the country such as Mahidol University (Thailand), Kyoto University (Japan), Royal Academy of Cambodia (RAC), Stelanbosch University (Cape Town, South Africa), Arabian Gulf University (Kingdom of Bahrain), Al-Ghazali Centre (Australia), Islamic Foundation for Ecology and Environmental Sciences (United Kingdom), Islamic Relief Worldwide (United Kingdom), National University of Indonesia (UNAS), Oxford Centre for Islamic Studies (Oxford, United Kingdom), University of Taiwan, both the UNESCO Paris and Jakarta Offices and others.

IKIM academicians will continue to enhance their commitment and achievements of action will continue to be made a practice so that the final impact will eventually lead to excellence towards achieving IKIM's involvement in the international arena.
