Institute of Islamic Understanding Malaysia

Sepanjang tahun 2019, banyak pembaharuan dan penambahbaikan gerak kerja telah dilaksanakan khususnya dalam aspek penyampaian dan pewacanaan ilmu, pengukuhan integriti dan peningkatan impak serta kesan aktiviti IKIM kepada segenap lapisan masyarakat.

Sebagai contoh, untuk menambah nilai dan meningkatkan lagi dampak penyelidikan yang dilaksanakan oleh para penyelidikanya, IKIM telah memulakan Siri Kolokium (IKIM National Colloquium Series) bermula September 2019. Siri kolokium ini merupakan cetusan idea YABhg. Pengerusi IKIM yang turut disokong oleh Ahli Lembaga Pengarah (ALP) IKIM. Ia memberi fokus kepada isu-isu kritikal yang mendepani umat Islam seperti Islamophobia (Islamofobia), good governance (tadbir urus cemerlang), moral freedom (kebebasan moral) dan lain-lain.

Throughout 2019, many changes and improvements in the workflow were implemented especially in terms of the delivery and the conducting of discourses of knowledge, strengthening of integrity and increasing the impact and effectiveness of IKIM activities on all levels of society.

As an example, to enhance the value and increase the impact of research carried out by its researchers, IKIM launched the IKIM Colloquium Series beginning September 2019. The Colloquium Series is the brainchild of YABhg. IKIM Chairman which is also supported by the IKIM Board of Directors. It focuses on critical issues faced by Muslims such as Islamophobia, good governance, moral freedom and others.

Siri Kolokium IKIM (SKI) bukan hanya memilih topik-topik yang relevan kepada masyarakat Islam, bahkan topik dan isu-isu yang dipilih menjadi tumpuan kemanusiaan yang sejagat. Melalui SKI ini, ahli-ahli akademik IKIM bersama pakar-pakar semasa yang utama di dalam bidang-bidang atau tajuk-tajuk yang berkenaan, dikenal pasti dengan teliti supaya dapat memberi gambaran-gambaran yang terkini untuk para peserta SKI yang turut dipilih khas di atas kapasiti mereka berpotensi mempunyai “multiplier effect” yang besar, bagi setiap kolokium tersebut.

SKI juga telah dapat mengupayakan strategi pengantarabangsaan IKIM. Antara institusi yang prominen ialah Oxford Centre for Islamic Studies (OXCIS) yang bukan hanya akan berkolaborasi dengan IKIM dalam program-program ilmiah, tetapi juga di dalam perkongsian bahan-bahan seperti Koleksi Khas Tamadun Islam (KKTi) yang berada di Perpustakaan IKIM.

Koleksi Khas Tamadun Islam (KKTi) IKIM mengandungi 3,733 naskah jurnal dan 4268 naskah buku serta manuskrip dalam pelbagai bahasa utama dunia dan kebolehcapaian digital koleksi nadir dan manuskrip IKIM dan koleksi OXCIS dijangka akan dapat meningkatkan lagi profil IKIM sebagai penyimpan khazanah ilmu atau “kutub khanah” tamadun Islam dalam kalangan penyelidik antarabangsa.

IKIM juga telah dilantik sebagai Ketua Kluster Penyelidikan & Pemikiran Maqasid Agensi-agensi Agama Persekutuan pada 2019. Antara projek yang diterajui IKIM adalah yang memberi input polisi kepada dasar-dasar perpaduan negara melalui Fiqh Ta’amul (adab dan ilmu berinteraksi dengan orang bukan Islam) dalam konteks Malaysia. Hasil penyelidikan ini telah dibukukan dengan tajuk Islam dan Hubungan Antara Penganut Agama

The IKIM Colloquium Series not only selects topics that are relevant to the Muslim community, but also topics and issues that are selected to be the focus of humanity universally. Through the Series, IKIM academics together with current experts in the respected fields or topics are carefully identified to provide the most up-to-date overview to participants who have also been specially selected based on their capacities and potential to generate a huge multiplier effect, for the respective Colloquium Series.

The Series has also been able to assist in IKIM’s internationalisation strategy. Among the prominent institutions is the Oxford Centre for Islamic Studies (OXCIS) which will not only collaborate with IKIM on academic programmes, but also on the sharing of materials such as the Special Collection of Islamic Civilisation held at the IKIM Library.

IKIM’s Special Collection of Islamic Civilisation which holds 3,733 journals and 4,268 book copies and manuscripts in various major languages of the world and the digital accessibility of IKIM’s rare collection and manuscripts as well as OXCIS collections is expected to further enhance IKIM’s profile as a treasure hove of knowledge or the “repository” of Islamic civilisation among international researchers.

IKIM was also appointed as the Head of Cluster in Research and Thinking on Maqasid for the Federal Religious Agencies in 2019. Among the projects led by IKIM which provided policy input included policies on national unity through the research on “Fiqh Ta’amul” (manners and knowledge of interacting with non-Muslims) in the Malaysian context. Findings of the research was published in the book “Islam dan Hubungan antara Penganut Agama (Islam and Relations among Religious Adherents)” which was launched by His Highness His Majesty

yang telah dilancarkan dengan jayanya oleh Kebawah Duli Yang Maha Mulia Seri Paduka Baginda Yang di-Pertuan Agong Al-Sultan Abdullah Ri'ayatuddin Al-Mustafa Billah Shah Ibnu Almarhum Sultan Haji Ahmad Shah Al-Musta'in Billah semasa baginda mencemar duli merasmikan "Wacana Diraja Islam Agama Rahmah: Raja, Perlembagaan dan Patriotisme" pada 10 Oktober 2019 di Dewan Besar IKIM.

Dari sudut integriti pula, pewujudan jawatankuasa saringan bagi iklan-iklan radio yang bermutu serta menepati piawaian yang tinggi berdasarkan garis panduan atau "standard operating procedure" (SOP) yang kukuh telah diperkenalkan melalui Bahagian Ekonomi dan Pemasaran (BEP) IKIM dengan panduan YABhg. Pengerusi dan Ahli-ahli Lembaga IKIM. Langkah ini sudah pasti akan memberi nilai tambah serta penjenamaan (branding) IKIM yang lebih besar pada masa akan datang. Ia sekaligus menyumbang kepada pengkayaan makna konsep "halalan thoiyyiban" yang sentiasa disebarluaskan oleh IKIM.

Seiring dengan penjenamaan semula Radio IKIM, kandungan dan pendekatan program-program radio dan tvIKIM juga telah ditambahbaik bagi memperkasakan media IKIM yang merupakan satu-satunya media Islami yang bermatlamatkan pembinaan minda Islami dan Qurani untuk merealisasikan ciri-ciri "ummatan wasatan".

Akhir kata, sepanjang 2019, aspirasi IKIM adalah untuk membuktikan bahawa rangka fikiran dan rangka kerja Maqasid al-Syariah benar-benar relevan dan seiring jika tidak lebih baik lagi (serta relevan) dengan usaha-usaha yang terbaik di peringkat antarabangsa, khususnya dalam konteks governan, ekonomi, kekeluargaan, nilai, moral, alam sekitar dan kesihatan serta kesejahteraan yang menjadi

the Yang di-Pertuan Agong Al-Sultan Abdullah Ri'ayatuddin Al-Mustafa Billah Shah Ibnu Almarhum Sultan Haji Ahmad Shah Al-Musta'in Billah when he graced the opening of the "Royal Discourse on Islam as a Religion of Rahmah (Grace): King, Constitution and Patriotism" on 10 October 2019 at the IKIM Grand Hall.

In terms of integrity, the establishment of a screening committee for quality radio advertisements that meet the high standards of solid guidelines or standard operating procedures (SOP) has been introduced through the Economy and Marketing Division (BEP) of IKIM with guidance given by the YABhg Chairman and Members of the IKIM Board. Such an undertaking will add value as well as create a more impactful branding of IKIM in the future. Simultaneously this also contributes to the enrichment of the meaning of the concept of "halalan thoiyyiban" which is constantly promoted by IKIM.

In accordance with the rebranding of Radio IKIM, the contents and approach of radio and tvIKIM programmes were also enhanced to empower IKIM media, a unique Islamic media that aims to build the Islamic and Quranic mindset to realise the characteristics of the "ummatan wasatan" (people of moderation).

Finally, throughout 2019, IKIM's aspiration was to prove that the mindset and framework of the "Maqasid al-Shariah" is truly relevant and in accord with the best efforts, if not better, at the international level, especially in the context of governance, economics, family, values, morals, environment and health as well as well-being which were the catalysts for various 2019 IKIM programmes. The 2016–2020 IKIM Strategic Plan has also been a driver for IKIM's achievements.

pemangkin kepada pelbagai program IKIM 2019. Pelan Strategik IKIM 2016–2020 juga turut menjadi pemacu kepada pencapaian IKIM.

Keberkesanan usaha-usaha IKIM di dalam perkara ini mungkin boleh diukur melalui anugerah-anugerah, konsultasi dan jemputan-jemputan yang diterima daripada badan-badan di dalam dan di luar negara, di samping Radio IKIM mencapai jumlah pendengarnya yang tertinggi sehingga kini (1.8 juta pendengar) pada 2019.

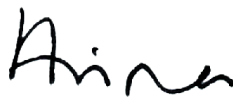

Dengan semangat kerja yang kuat dan perancangan masa depan yang mampan, serta iltizam seluruh pegawai dan warga kerja IKIM, di bawah pimpinan serta panduan Pengerusi IKIM, YABhg. Tun Ahmad Sarji serta Ahli-ahli Lembaga Pengarah IKIM, saya yakin IKIM akan terus menempa lebih banyak kejayaan pada tahun-tahun yang mendatang, bi'iznillah dan insya-Allah.

Akhir kata, saya ingin merakamkan ucapan penghargaan kepada seluruh warga kerja IKIM dan juga kepada Ahli-ahli IKIM yang telah banyak memberi sokongan, dokongan serta pandangan mereka untuk sama-sama memajukan institusi ini agar terus menyumbang kepada agama dan negara.

The effectiveness of IKIM's efforts in this regard may be gauged by the awards, consultancies and invitations received from local and foreign bodies, as well as Radio IKIM reaching its highest audience number to date (1.8 million listeners) in 2019.

With a strong work ethics and sustainable future planning, as well as the commitment of all IKIM officials and personnel, under the leadership and guidance of its IKIM Chairman, YABhg. Tun Ahmad Sarji and Board of Directors, I am confident that IKIM will continue to look forward to greater success in the coming years, "bi'iznillah" and "insya-Allah".

Finally, I would like to extend my appreciation to all IKIM staff and IKIM Members who have given so much of their support and views in the development of this institution and its contribution to our religion and nation.

Siri Kolokium: "Good Governance in Islam"

Pada 3 September 2019, Pengerusi IKIM, Tun Ahmad Sarji b. Abdul Hamid telah memberi penekanan antara lain mengenai kepertanggungjawaban seperti berikut:

Akauntabiliti adalah salah satu ciri pemimpin. Akauntabiliti adalah lambang pertanggungjawaban. Sekiranya anda beragama Islam, anda harus tunduk kepada kehendak Allah Subhanahu Wata'ala, menghormati semua kontrak dan memperlakukan diri anda secara beretika sebagai 'Wahai orang yang percaya! Memenuhi (semua kewajiban (al-Quran 5: 1)).

Beliau juga berpendapat bahawa memiliki "minda Islamik" adalah menyumbang kepada tadbir urus yang baik dan beliau memberi tafsiran kepada "minda Islamik" seperti berikut:

Colloquium Series: "Good Governance in Islam"

On 3 September 2019, IKIM Chairman, Tun Ahmad Sarji b. Abdul Hamid, emphasised, among others, accountability as follows:

Accountability is one characteristic of a leader. Accountability is the epitome of responsibility. If you are Muslim, you must submit to Allah's will, honour all contracts and conduct yourselves ethically as, 'O you who believe! Fulfil (all obligations)' (the Quran 5:1).

He also stated that to have an "Islamic mind" is to contribute to good governance. Tun then gave an interpretation of "Islamic mind" as follows:

- i. ia mesti berdasarkan Al-Quran dan Sunnah, sumber pengetahuan utama;
 - ii. sekiranya tidak ada Al-Quran dan Sunnah yang dapat diterapkan sekiranya berlaku situasi baru, jalan keluar dibuat untuk Ijtihad [pendapat] dan Qiyas [pendapat berdasarkan analogi dan doktrin]
 - iii. mestilah memprojeeksikan pendapat yang koheren dan tidak bertentangan;
 - iv. mesti dapat memahami bukti dan bukti kebenaran; dan,
 - v. mesti dapat memasukkan kata-kata ke dalam tindakan.
- i. *it must be based on the Quran and Sunnah, the primary sources of knowledge;*
 - ii. *in the absence of the Quran and Sunnah to be applied in the event of a new situation, recourse is made to Ijtihad [opinion] and Qiyas [opinions based on analogies and doctrine];*
 - iii. *it must be to project coherent and non-conflicting thoughts;*
 - iv. *it must be able to understand proof and evidence of truth; and*
 - v. *it must be able to put words into actions.*

IKIM Media Centre**Radio IKIM**

Radio IKIM terus mengukuhkan jenama sebagai sebuah stesen radio Islam di Malaysia dan terus kekal relevan menyiarkan program-program kefahaman Islam di negara ini. Melalui penjenamaan semula yang dilakukan pada 2019 sebagai salah satu strategi untuk mengukuhkan jenamanya dan meningkatkan jumlah pendengar terutama golongan muda, Radio IKIM telah mula mengaplikasi secara sepenuhnya pendekatan digital dalam setiap siaran rancangan radio agar mudah dijangkau oleh segenap lapisan masyarakat.

Dengan tema baharu “Inspirasi Inforia Islami”, Radio IKIM terus mengembangkan peranannya menyebarkan kefahaman Islam selari dengan matlamat penubuhan Institut Kefahaman Islam Malaysia itu sendiri.

Dengan hasrat untuk menjadikan Radio IKIM sebagai stesen pilihan pendengar, beberapa pendekatan menerusi program penjenamaan semula ini telah dilaksanakan iaitu memperkenalkan logo dan tagline baharu Radio IKIM, menukar sebutan IKIMfm kepada IKIM, format baharu program bual bicara, memperkenalkan penyampai dan gandingan baharu penyampai dan memperkasakan strategi digital Radio IKIM.

Melalui kajian GFK Radio Audience Measurement (RAM) Wave 1/2019 menunjukkan jumlah pendengar Radio IKIM adalah 1.507 juta iaitu peningkatan hampir 500 ribu orang pendengar berbanding kajian Wave 2/2018 berjumlah 1,096 orang pendengar. Jumlah pendengar ini yang tertinggi sejak Radio IKIM

IKIM Radio

Radio IKIM continues to strengthen its brand as an Islamic radio station in Malaysia and continues to be relevant in broadcasting Islamic understanding programmes in the country. Through the rebranding in 2019 as a strategy to enforce its brand and increase its listeners especially the younger generation, Radio IKIM has started a fully digitalised approach in every radio programme so that it can be reached through every level of the society.

With the new theme, “Inspirasi Inforia Islami” (Islamic Infotainment Inspiration), Radio IKIM continues to expand its role to disseminate the understanding of Islam in line with the objective of the establishment of the Institute of Islamic Understanding Malaysia itself.

With the intention of making Radio IKIM as the station of choice by listeners, a number of approaches through the rebranding programme has been implemented, which are to introduce the new Radio IKIM logo and tagline, to change from IKIMfm to IKIM, a new format for interview programmes, to introduce the presenters as well as a new line of presenters and enhance the digital strategy of Radio IKIM.

The GFK Radio Audience Measurement (RAM) Wave 1/2019 study showed that the number of IKIM Radio listeners was 1.507 million, an increase of almost 500 thousand listeners compared to the Wave 2/2018 study of 1,096 listeners. This is highest number of listeners since IKIM Radio was established. It also listed Radio IKIM as the best six of Malay-language radio stations in this country.

ditubuhkan. Ia juga meletakkan Radio IKIM dalam senarai enam stesen radio berbahasa Melayu terbaik di negara ini.

Sebagai usaha untuk terus mengukuhkan kedudukannya, Radio IKIM mula memperkasakan penggunaan platform media sosial seperti Facebook, Instagram dan Youtube. Sebagai kemudahan kepada pendengar untuk mendengar kembali program-program yang telah bersiaran, Radio IKIM juga menyediakan kemudahan Podcast yang boleh diakses melalui laman sesawang www.ikim.my/podcast sejak 5 Oktober 2017. Kemudahan ini menawarkan lebih 23 program popular terpilih yang telah disiarkan di Radio IKIM sepanjang 2019. Sejak dilancarkan sambutan oleh pengguna dan pendengar podcast amat menggalakkan.

Slogan Baharu Radio IKIM

Pemilihan slogan atau tagline baharu bagi Radio IKIM ini adalah selaras dengan penjenamaan semula Radio IKIM agar lebih segar dan dekat dengan pendengar, sesuai dengan fungsinya yang sentiasa tampil memberi inspirasi kepada rakyat Malaysia terutama umat Islam melalui rangkaian rancangan terbitannya. Justeru, “Inspirasi Inforia Islami” dipilih sebagai tagline baharu menggantikan “Pilihan Utama Anda” dilihat satu inisiatif yang amat tepat dan relevan.

Inspirasi:

Sesuatu yang menggerakkan hati untuk mencipta sesuatu (Kamus Dewan). Radio IKIM menerusi siarannya diharap akan menggerakkan hati pendengarnya untuk memahami, mendalami dan mengamalkan Islam menerusi sumber yang benar.

In an effort to further strengthen its position, Radio IKIM has started to enhance the use of social media platform such as Facebook, Instagram and Youtube. To ease listeners to tune in to previous programmes, Radio IKIM also has been providing the Podcast facility through the site www.ikim.my/podcast since 5 October 2017. This facility offers more than 23 selected popular programmes broadcasted on Radio IKIM throughout 2019. Since its launch, it has received encouraging support from podcast users and listeners.

Radio IKIM New Slogan

Selecting a new slogan or tagline for Radio IKIM is in line with the rebranding of Radio IKIM so that it is more refreshing and close to listeners, also suitable with its function to always provide inspiration to Malaysians especially Muslims through its broadcasted programmes. Thus, “Inspirasi Inforia Islami” (Islamic Infotainment Inspiration) is chosen as the new tagline replacing “Pilihan Utama Anda” (Your Preferred Choice) is seen as a highly apt and relevant initiative.

Inspiration:

Something that moves the heart to create something (Kamus Dewan Dictionary). Through its programmes, Radio IKIM hopes to touch the hearts of its listeners to understand, to dive deeper into Islam and practise it through the true source.

Inforia:

Diambil daripada istilah bahasa Inggeris Infotainment yang bermaksud satu bentuk penyampaian maklumat yang menghiburkan. Dalam konteks Radio IKIM, istilah Inforia merujuk kepada gabungan kandungan dan menyampaikan ilmu yang benar dan bermanfaat di samping hidangan hiburan yang mendidik jiwa.

Islami:

Menjadi dasar penyiaran Radio IKIM menerbitkan program dan menyiarkan hiburan dengan mengangkat Islam sebagai Ad-Din.

Penjenamaan semula Radio IKIM telah dilancarkan oleh Pengerusi IKIM, Tun Ahmad Sarji b. Abdul Hamid pada 19 Februari 2019 di Dewan Rebana, Hotel Grand Bluewave, Shah Alam, Selangor.

Infotainment:

Derived from the English language “Infotainment” which means an entertaining form of information delivery. In the context of Radio IKIM, the term “inforia” refers to the combination of contents and delivery of true and beneficial knowledge apart from an entertainment which educates the soul.

Islamic:

As has been its broadcasting policy, Radio IKIM produces programmes and broadcasts entertainment which uphold Islam as Ad-Din.

The rebranding of Radio IKIM was launched by IKIM Chairman, Tun Ahmad Sarji b. Abdul Hamid, on 19 February 2019 at the Rebana Hall, Grand Bluewave Hotel, Shah Alam, Selangor.
