PEMIMPIN PEMANGKIN PERPADUAN UMAT

Agama Islam amat menekankan kesatuan di kalangan umatnya. Ini jelas daripada ingatan yang terdapat dalam al-Quran dan Hadis Nabi SAW. Antaranya ialah seperti dalam Al-Quran iaitu maksudnya: *"Dan berpegang teguhlah kamu pada tali Allah, dan janganlah kamu bercerai berai" (Surah Ali-'Imran, ayat 103).* Rasulullah SAW juga pernah bersabda: *"Hendaklah kamu bersama jemaah, jangan kamu berpecah belah (Hadis riwayat Imam Ahmad dan Tirmidhi).*

Salah satu cara untuk menjaga kesatuan umat Islam ialah melalui peranan pemimpin mereka. Pemimpin merupakan seorang yang mempunyai pengikut, kata-katanya dipatuhi dan disanjungi oleh para pengikutnya. Mereka mempunyai kuasa dalam isu yang timbul di kalangan para pengikutnya. Mereka bijak membuat keputusan dan boleh menentukan hala tuju ke arah kebaikan umat.

Oleh itu, peranan pemimpin adalah penting dalam menyuburkan benih-benih pendekatan yang berhemah, bertolak ansur dalam masyarakat, khasnya yang melibatkan perkara-perkara kecil dan bersifat cabang. Ini akan dapat mengelakkan perselisihan dan permusuhan di kalangan umat Islam secara keseluruhannya.

Golongan agamawan dan ahli politik termasuk di kalangan mereka yang dimaksudkan sebagai pemimpin. Tanggungjawab pemimpin adalah besar kerana mereka memikul amanah dan mereka akan dipertanggungjawabkan.

Oleh itu, para golongan agamawan dan ahli politik yang mempunyai pengikut tersendiri perlu mengorak langkah lebih dinamik dan menjadi teladan ke arah kesatuan umat seperti yang dikehendaki oleh agama Islam.

LEADER AS CATALYST FOR UNITY OF THE UMMAH

Islam strongly emphasises unity among its adherents. This is clear from reminders found in the Quran and Hadith of the Prophet Muhammad. Among them are the Quranic verse, "And hold fast to the rope of Allah and be not disunited" (Surah Ali 'Imran, verse 103). Prophet Muhammad had said which meant: *"You should be together with the congregation and do not be divided" (Narrated by Imam Ahmad and Tirmidhi).*

One of the ways of keeping the Muslim unity is through the roles played by their leaders. A leader is one with his followers, his words are obeyed and revered by his followers. Leaders wield power in issues that arose among their followers. They are wise in making decisions and are able to determine the direction towards the betterment of the people.

Thus, the roles of leaders are important in nurturing the seeds of prudence, tolerance within society, especially those that involve minor issues and their ramifications. Such an approach would be able to eschew disputes and enmity among Muslims as a whole.

Religious groups and politicians are included as among those meant as leaders. The responsibilities of a leader are immense as they bear the burden of trust and they will be held accountable.

Hence, religious groups and politicians who have their own followers should move more dynamically and lead as examples for ummatic unity as required by Islam.
