Muzakarah Pakar “Pengukenan Institusi Kekeluargaan Berlandaskan Maqasid al-Syariah”

KEGAGALAN mempraktikkan elemen Maqasid al-Syariah dalam kehidupan dilihat sebagai punca yang mendorong kepada kerapuhan institusi kekeluargaan. Oleh itu pada 11 Oktober, IKIM mengadakan muzakarah dengan bermatlamatkan untuk memberi kefahaman tentang kepentingan pengukenan institusi keluarga, mengenal pasti masalah-masalah kritikal yang berkaitan dengan kekeluargaan Islam di Malaysia dari perspektif perundangan, sosiologi, psikologi dan ekonomi serta mencari jalan penyelesaiannya.

Antara rumusan yang diperoleh hasil muzakarah ini ialah Dasar Sosial Negara (DSN) disarankan untuk dikaji semula agar selari dengan perkembangan modal insan dan cabaran semasa, serta memberi tumpuan kepada pendidikan keagamaan dan spiritual sebagai pemangkin kepada pembangunan dan kemajuan sosial negara. Selain itu, kerjasama pelbagai agensi seperti agensi kerajaan, NGO dan juga seluruh lapisan masyarakat amat diperlukan untuk mengatasi masalah kekeluargaan, penceraian dan masalah sosial dan menangani trend negatif serta meningkatkan lagi kualiti hidup rakyat. DSN dan mekanisme pelaksanaannya perlu difahami agar apa yang digariskan menerusi DSN dapat diteruskan dan dicapai.

Dua buah laporan kajian iaitu “Kajian Pengharmonian Undang-undang: Undang-undang Bertulis” dan “Tekanan Mental dalam Konflik Perkahwinan: Cadangan Penyelesaian Alternatif di Bawah Tuntutan Fasakh” telah diserahkan kepada Tan Sri Sheikh Ghazali di akhir muzakarah ini. Kedua-dua laporan tersebut telah disediakan oleh para penyelidik IKIM sendiri.

Experts’ Consultation on “Strengthening Family Institutions Based on Maqasid al-Shariah”

FAILURE to practise the elements of Maqasid al-Shariah in life is seen as the cause that leads to the fragility of the family institution. On 11 October, IKIM held a Consultation which aimed at giving an understanding of the importance of strengthening the family institution, identifying critical issues relating to the Muslim family in Malaysia from the perspective of law, sociology, psychology and economics as well as finding solutions.

Among the findings of the Consultation is the recommendation that the National Social Policy be reviewed so that it is in parallel with the development of human capital and current challenges, and focus on religious and spiritual education as a catalyst for the nation’s development and social progress. In addition, the collaboration of various agencies such as government agencies, NGOs and all levels of society is really needed to overcome family problems, divorce and social problems, address negative trends and improve the quality of life of the people. The National Social Policy and its implementation mechanism need to be understood so that what is outlined can be continued and achieved.

Two research reports, “A Study on the Harmonisation of Law: Statutory Laws” and “Mental Stress in Marital Conflicts: Proposed Alternative Solutions Under Fasakh Claims” were submitted to Tan Sri Sheikh Ghazali at the end of the Consultation. Both reports were prepared by IKIM researchers.

Kem Klinik Jawi

KEM Klinik Jawi ini diadakan pada 16 Disember di Dewan Besar IKIM. Dato' Nafisah Ahmaad, Ketua Pengarah Perpustakaan Negara Malaysia (PNM) telah menyampaikan ucapan aluan dalam program ini. Program ini adalah kesinambungan daripada rancangan Klinik Jawi yang disiarkan di IKIMfm sejak Jun 2012, hasil kerjasama Dewan Bahasa dan Pustaka (DBP) dan PNM.

Pengisian kem ini adalah sesi pengenalan sistem ejaan Jawi baharu, sistem ejaan kata Melayu jati dan sistem ejaan kata serapan Inggeris dan Arab. Usaha untuk memartabatkan tulisan Jawi ini diharap dapat mengubah persepsi masyarakat yang sering sangsi mengenai penyebaran tulisan Jawi sebagai alat penyebaran agama Islam kepada seluruh masyarakat sedangkan tulisan Jawi adalah satu skrip penulisan yang mudah dan perlu dikuasai oleh semua sebagai legasi budaya dan warisan masyarakat Malaysia.

Jawi Clinic Camp

THE Jawi Clinic Camp was held on 16 December at the IKIM Grand Hall. Dato' Nafisah Ahmaad, the Director-General of the National Library of Malaysia (PNM) delivered the welcoming speech. The programme was a continuation of the Jawi Clinic programme broadcasted on IKIMfm since June 2012, in collaboration with Dewan Bahasa dan Pustaka (Council of Language and Literature) and PNM.

The camp contents were the introduction to the new Jawi spelling system, the true Malay word spelling system and the English and Arabic word absorption spelling system. Such an effort to elevate the Jawi writing could hopefully change the perception of the society who were often sceptical regarding the spread of Jawi writing as a means of spreading the religion of Islam to the society, when in fact, Jawi writing is an easy script and must be mastered by all as a legacy of the Malaysian culture and heritage.
