SEMINAR GAGASAN PERADABAN AL-QURAN

- Dr. Mohd Zaidi Ismail, Timbalan Ketua Pengarah IKIM ketika membuat pembentangan.
- Dr. Mohd Zaidi Ismail, Deputy Director-General of IKIM presenting a paper.

IKIM dengan kerjasama Pergerakan Puteri Islam Malaysia dan Jabatan Pendidikan Negeri, Kelantan telah mengadakan Seminar Gagasan Peradaban Al-Quran pada 31 Mac 2018 bertempat di Dewan Tan Sri Annuar Musa di Sek. Men. Keb. Kadok Kota Bharu, Kelantan.

Seminar ini bertujuan untuk menzahirkan kembali gagasan utama pemikiran peradaban al-Quran yang telah melahirkan tamadun Islam yang luhur dalam sejarah manusia. Seminar ini juga memperlihatkan sifat alamiah (universality) gagasan pemikiran yang dianjurkan oleh al-Quran serta mengungkapkan gagasan-gagasan utama al-Quran dan menghuraikan peranannya dalam pembinaan peradaban. Ia juga menggariskan manhaj yang benar dalam pengkajian al-Quran serta menjelaskan syarat-syarat kefahaman maksud al-Quran dan punca-punca yang menghalang kefahaman serta menunjukkan contoh-contoh bagaimana prinsip al-Quran membantu dalam memahami dan menyelesaikan permasalahan semasa. Seramai 30 orang guru dan masyarakat awam telah hadir ke seminar ini.

QURANIC CIVILISATIONAL THOUGHT SEMINAR

In collaboration with Puteri Islam Malaysia and Kelantan State Education Department, IKIM organised a Seminar on Gagasan Peradaban al-Qur'an (Qur'anic Civilisational Thoughts) on 31 March 2018. The seminar took place at Tan Sri Annuar Musa Hall, Sek. Men. Keb. Kadok Kota Bharu, Kelantan and was officialised by YB Senator Dato 'Dr. Asyraf Wajdi Dato' Dusuki, Deputy Minister in the Prime Minister's Department.

The seminar was conducted with the aims at reviving the Qur'anic civilisational thoughts that have produced in the past one of the greatest Islamic civilisations witnessed in human history. The seminar also highlighted the universality feature of the Qur'anic thoughts and revealed major ideologies of the Qur'an as well as delving into the roles played by the holy book in the creation of civilisation. In addition, the seminar outlined the appropriate manhaj in the study of the Qur'an and clarified the prerequisites as well as the causes that impede the understanding of the meaning of the Qur'an. Some examples on how the principles of the Qur'an help in understanding and solving current problems were also discussed during the seminar.

MUZAKARAH PAKAR PENGAJIAN ISLAM INTEGRASI

Muzakarah yang dianjurkan pada 20 Mac ini bertujuan untuk menyatukan usaha-usaha memperkasakan pendidikan Sains, Teknologi, Kejuruteraan dan Matematik (STEM). Pengajian Islam yang diintegrasikan dengan pengajian STEM merupakan suatu bentuk usaha yang unik dan perlu diarusperdanakan.

Penganjuran muzakarah ini juga menunjukkan komitmen IKIM dalam memperkasa pendidikan STEM di Malaysia melalui penglibatan ahli-ahli akademik dalam bidang pengajian Islam untuk membincangkan perkara ini. Hal ini juga membuktikan bahawa IKIM dan Penggerak STEM Kebangsaan sentiasa bergerak seiringan ke arah mencapai matlamat yang sama iaitu memperkasakan pendidikan STEM di negara ini.

Muzakarah ini juga bertujuan untuk mengumpul maklumat terkini mengenai pelaksanaan pengajian yang menggabungkan aliran sains dan agama di Malaysia serta mewujudkan jaringan kerjasama antara universiti yang menjalankan program-program penyepaduan agama dan sains.

EXPERTS CONSULTATION ON INTEGRATION OF ISLAMIC STUDIES

The Consultation held on 20 March aimed at unifying the efforts of empowering Science, Technology, Engineering and Mathematics (STEM) education. Islamic studies integrated with STEM studies is a unique effort and need to be mainstreamed.

The organising of the Consultation also showed IKIM's commitment in empowering STEM education in Malaysia through the involvement of academicians in the field of Islamic studies to discuss the issue. It also proves that IKIM and the National STEM Movement always work together towards achieving the same goal which is; empowering STEM education in the country.

The Consultation also aimed at gathering the latest information on the implementation of studies which combine science and religion in Malaysia and creating a network between universities which have religion and science integration programmes.

SIMPOSIUM ANTARABANGSA “MODERATION IN MULTI- RELIGIOUS SOCIETIES: TOWARDS PEACE AND HARMONY”

Religion, Dialogue and
Peaceful Coexistence

INSTITUT KEFAHAMAN ISLAM MALAYSIA

Pada 27 Mac, IKIM dengan kerjasama Yayasan Gerakan Kesederhanaan Global atau Global Movement of Moderates Foundation (GMMF) telah menganjurkan Simposium Antarabangsa “Moderation In Multi-Religious Societies: Towards Peace And Harmony” untuk mempromosikan pendekatan kesederhanaan dalam kalangan masyarakat pelbagai agama dan budaya di peringkat lokal dan global ke arah keamanan dan keharmonian hidup bersama (*peaceful coexistence*).

Perkongsian idea dan pengalaman oleh panel jemputan adalah penting kerana ianya akan menyumbang kepada kefahaman yang lebih baik tentang bagaimana agama dan kesederhanaan berperanan dalam mempromosikan “*peaceful coexistence*”. Agama memainkan peranan penting dalam pembentukan masyarakat dan juga merupakan asas penting dalam pembinaan tamadun dunia. Agama juga berfungsi sebagai mekanisme untuk menghapuskan konflik dalam persaingan sesama manusia dalam berbagai perkara. Bagi memastikan keamanan dan keharmonian dalam kehidupan bersama masyarakat pelbagai agama, budaya dan kaum seperti Malaysia, pendekatan kesederhanaan (*wasatiyah*) harus diurus perdanakan. Pendekatan ini penting dalam usaha membina rasa hormat dan juga menjaga aspek keamanan dalam konteks masyarakat majmuk.

Sehubungan itu juga, sebuah buku baharu terbitan IKIM bertajuk “Religion, Dialogue and Peaceful Coexistence” yang mengandungi 20 bab dan berketebalan 140 mukasurat dan merupakan suntingan Datuk Prof. Dr. Azizan Baharuddin bersama Pn. Enizahura Abdul Aziz, Fellow di Pusat SYARAK telah dilancarkan. Buku ini adalah hasil daripada penyelidikan yang dijalankan oleh pusat akademik IKIM.

INTERNATIONAL SYMPOSIUM ON “MODERATION IN MULTI-RELIGIOUS SOCIETIES: “TOWARDS PEACE AND HARMONY”

On 27 March, IKIM in collaboration with Global Movement of Moderates Foundation (GMMF), organised an International Symposium on Moderation in Multi-Religious Societies: “Towards Peace and Harmony”. The main aim of the International Symposium was to promote moderation and peaceful coexistence among the local and global multi-religious and multi-cultural societies.

Among the objectives of the international symposium were to discuss the role of religion and the approach of moderation in promoting peace, preserving harmony and restraining the development of any form of extreme ideas. The sharing of ideas and experiences by invited panels are considered important as it will contribute to a better understanding of how religion and moderation play crucial roles in promoting “peaceful coexistence”. Religion plays an important function in the formation of societies and is also the foundation of many world civilisations. Religion also serves as a mechanism to eliminate conflicts and rivalry among human beings. To ensure peace and harmony becomes a central element in the life of multi-cultural and multi-religious society such as Malaysia, the approach of moderation should be placed in the mainstream. This approach is important as it will help to nurture respect and maintain peace in the context of a plural society.

During the event, a new book published by IKIM titled “Religion, Dialogue and Peaceful Coexistence” was launched. The 140-page book consists of 20 chapters which are based on research works carried out by IKIM academicians. The

book is co-edited by Datuk Prof. Azizan Baharuddin, the Director-General of IKIM and Mdm. Enizahura Abdul Aziz, Fellow from the Centre for the Study of Shari’ah, Law and Politics, IKIM.

BENGKEL "JR. ECOLOGY CAMP 2.0"

Bengkel "Jr. Ecology Camp" merupakan program yang dianjurkan untuk para pelajar berusia 10 hingga 17 tahun. Penganjuran bengkel ini adalah bagi memberi pendedahan kepada para pelajar secara langsung dengan ekologi dan supaya pelajar dapat memahami konsep ekologi dengan baik melalui aktiviti-aktiviti secara teori dan praktikal yang diketengahkan melalui bengkel ini.

Bengkel yang diadakan pada 18-19 Mac ini merupakan platform terbaik dalam menyampaikan mesej kesedaran alam sekitar di peringkat kanak-kanak dan juga remaja. Bengkel ini turut mengambilkira keperluan pengajaran dan pembelajaran (P & P) yang berasaskan Kemahiran Berfikir Aras Tinggi (KBAT), selain menggunakan kaedah "learning by doing" dengan memindahkan kelas pembelajaran normal kepada kelas di luar darjah atau dengan lebih tepat lagi "kelas di dalam hutan".

- Para peserta bengkel "Jr. Ecology Camp".
- Participants of the Workshop on "Jr. Ecology Camp".

WORKSHOP ON "JR. ECOLOGY CAMP 2.0"

Workshop on "Jr. Ecology Camp" is a programme organised for students aged 10 to 17 years old. The organising of the workshop is to give students exposure to ecology directly and to enable them to better understand ecological concepts through theoretical and practical activities in the workshop.

The workshop held on 18-19 March is the best platform in delivering environmental awareness message to children and adolescents. The workshop also takes into account the need of teaching and learning (P&P) based on High-Level Thinking Skills (KBAT), as well as using "learning by doing" method by transferring normal learning classes to outside the classroom or more accurately "class in the forest".

KURSUS PENGURUSAN STRES: KELEBIHAN DI SEBALIK TEKANAN

Bengkel yang diadakan pada 28-29 Mac ini mendedahkan peserta kepada takrif dan jenis-jenis stres serta kelebihanannya. Selain itu bengkel ini juga memberikan kefahaman tentang pengurusan stres kepada peserta terlibat serta meningkatkan kemahiran mereka dalam teknik pengurusan stres.

Stres merupakan satu daripada beberapa penyakit mental yang melanda masyarakat Malaysia hari ini. Untuk menangani stres penting untuk kita menyesuaikan diri dan mempertingkatkan diri dalam sesuatu keadaan; apatah lagi untuk psikologi manusia mahu pun motivasi individu itu sendiri. Jadi, sebenarnya mempunyai perasaan risau dan mengalami sedikit rasa tertekan bukanlah sesuatu yang luar biasa. Stres dilihat harus membantu kita untuk menguatkan diri kita.

STRESS MANAGEMENT COURSE: ADVANTAGES BEHIND PRESSURE

The workshop held on 28-29 March expose participants to definitions and types of stress and its benefits. In addition, the workshop also provide an understanding of stress management to the participants involved as well as improving their skills in stress management techniques.

Stress does not only bring disadvantages to ourselves. On the contrary, it is also important for us to adjust and improve ourselves in a situation. This is human psychology and also for individual motivation. Therefore, anxiety and experiencing a little stress is not something bad. It is an advantage as it will help to get better results later.

- Para peserta yang serius dan tekun mendengar penjelasan daripada Prof. Madya Datin Dr. Noraini Othman.
