QUALITY

IKIM is still ISO 9001:2000 certified after successfully completing the ISO 9001:2000 Surveillance Audit which was conducted on the 28th of April 2008 without any nonconformities issued. This is indicative of the fact that all the activities conducted by IKIM fall under the scope of certification, namely a RESEARCH AND RESOURCE CENTRE FOR THE UNDERSTANDING OF ISLAM whose activities conform to ISO 9001:2000 Standards.
